

Nar-Anon Midwest Region

APRIL OUTREACH CHALLENGE 2014

From the outreach committee

Hair Salons

Greetings Nar-Anon family,

It is time to get hopping. With Easter on its way people are going to get their hair done or cut. What a great place to have some of our brochures. They will have some time to read them while they wait for their hair cut. The last three times I have gone to get my haircut the subject always comes up. Drug addiction touches every family in the country. A holiday like Easter brings it out to the open.

So this month's challenge is to see how many members will take some our outreach literature to their hair salons. ...Ask to leave some.

Getting the word out!

Doing service.....(step 12)

This like all Challenges, they are just suggested ideas or places for your group to put out some literature and get the word out. By all means do other places also, refer to previous challenges to get other ideas.

All the outreach literature we give out is the white literature from the outreach packet 400 pcs. for \$25.00 at the WSO. We do stamp our meeting stamp on them, so that they know where and when the meeting is.

We recommend ;

- 5- Affected by A Loved One's Addiction?
- 5- What is Nar-Anon?
- 5- To The Concerned Family Member or Friend.

As well as any other white literature from the outreach packet.

- ✓ Don't forget to keep a list of places.
- ✓ Remember to check places you have been before.
- ✓ Keep Nar-Anon traditions in mind when doing outreach.
