

Nar-Anon Midwest Region

JULY OUTREACH CHALLENGE 2013

Libraries

Greetings NFG's,

As we all know, with summer here and Independence Day approaching, attendance seems to drop off. This is more reason for us to be putting out literature to help people find our groups. They are looking for someone who understands. Let's be there for them.

This month's challenge is going to be Libraries'.

There are a lot of community systems with several branches in each. If a few members take some brochures, & meeting lists and ask to place them in their local branch it will help spread the word.

Your group might also decide to take a few copies of the latest issue of "The Serenity Connection" newsletter to each. It can be found on the Internet at; <http://nar-anon.org/naranon/sites/default/files/newsletter/Serenity%20Connection%202013-06%20%281%29.pdf>

*While in the Library we should check to see if they carry our SESH book.

- ✓ Don't forget to keep a list of places you have been.
- ✓ Remember to check places you have been to before and refill as needed.
- ✓ Always keep the Nar-Anon traditions in mind when doing outreach.

Remember these are just challenges to get you going, you can do more and you can redo the old ones. The more you do, the more the word gets out there and others can find the help you have. Rarely do you get a response right away but in time they will come, so keep spreading the word. Every piece of literature holds potential help for someone. Don't give up on outreach. By now you should be having some newcomers if you have been doing the challenges.
