Midwest Region Donation Discussion ensued re: *in mermorium* check donation made to a local FG was sent to MWR Treasurer. MWR Treasurer spoke w/WSO regarding tax deductible status: WSO indicated that only donations made directly to WSO were eligible for tax deductible status. No Tax deductible status for MWR. WSO expect such funds are to be deposited w/WSO. As a "ground upward" organization, RSC agreed that these funds ought rightly be returned to the local FG.

RSC read testimonial letter from a GSR: motivational for all GSRs Share:

GSR Stands for Group Service Representative, but It Means So Much More!

Time management during GSR calls –hope to improve for the future!

Items for discussion during the March RSC call: request time for "sharing" recovery; Theresa volunteered to initiate for upcoming GSR call.
