7th Annual Assembly of the Nar-Anon Midwest Region

Why not make it a vacation/long weekend in the St Louis area?

The Assembly provides a great opportunity to take a longer weekend to do things in and around the area. We have a great many things to do for the outdoors person as well as the shopper. In addition to the Assembly and local points of interest, there is an area NA picnic on Sunday.

Between the hotel and the Assembly:

Dave & Busters and Hollywood Casino are both within short drive from the hotel (7 minutes)
Thies Farms for fresh produce and a wonderful pumpkin selection; both in the field and in store (6 minutes)
